Scope and Contents: There are three sub-series: Major Anniversaries; Kingston Days; and General Histories.

Anniversary celebrations of the founding of Kingston in 1694 are for the 225th in 1919, 250th in 1946, 275th in 1969, and 300th in 1994. Materials are in chronological order, and consist of widely distributed printed materials, newspapers, and new clippings. There also are two folders relating to the local celebration of the nation's Bicentennial in 1976. The 1919 celebration is called a "triple celebration" representing the 225th anniversary of the Town, the return of soldiers at end of World War I, and Old Home Day.

The Kingston Days series (1996 - 2002) consists of programs and other materials for 1996 - 1999, 2001 and 2002. Kingston Days is an annual event that grew out of the 300th anniversary celebration. Kingston Days started a few years before to raise funds for the 300th anniversary and built support and interest. From the 1940s to early 1990s, the 4th of July Carnival sponsored by the Kingston Fire Department and Lion's Club on the Plains was a major summer event. A smaller carnival sponsored by the Kingston Improvement and Historical Society on the Plains but not on the 4th of July occurred for several years.

General histories (1867 -1994) date primarily from the latter half of the twentieth century and consist of articles, typed manuscripts, and photocopies of articles. Biographical information about Josiah Bartlett and General Stephen H. Gale is found in this series. It also includes more recent materials that seem to be arranged by topic.
